**STATEMENT OF THE SUBSTANCE OF THE INTERVIEW OF OCTOBER 2, 2007**

Commissioner of Patents  
 P.O. Box 1450  
 Alexandria, VA 22313-1450

Sir:

Applicants' representative, Luiz von Paumgarten, conducted a telephone interview with the Examiner on October 2, 2007. The following is a statement of the substance of the Interview.

During the Interview, claims 11, 13-16 and 18-35 were discussed. The Examiner informed Luiz von Paumgarten that the proposed amendments to claims 11, 13-16, and 18-30 faxed to the Examiner on September 27, 2007, would overcome the objection and rejections and that the claims appeared allowable over the prior art. The Examiner further informed Luiz von

Paumgartten that newly added claims 31-35 would not be entered because they require further consideration and/or search.

It is believed that no fee is due for filing this Statement of the Substance of the Interview. However, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason relating to this document, please consider this paragraph such a request and authorization to withdraw the appropriate fee from Fulbright & Jaworski Deposit Account No. 50-1212/MOTB:033US/LVP.

The Examiner is invited to contact the undersigned at 512-536-3187 with any questions, comments or suggestions relating to the referenced patent application.

Respectfully submitted,

Luiz von Paumgartten
